Logging In

Go to the ORE URL, <https://ore.azure.e3labs.net>

You will then be presented with the ORE welcome screen.

Ensure that the “member” tab is selected as shown in figure below:

Figure 1 ORE Welcome Screen

Click the “LOGIN” button

You will be presented with the login screen if you are not already signed in as shown in the figure below:

Figure 2 ORE Login Page

The screenshot shows the ORE Login Page. At the top left is the PEO Digital logo, which features a stylized anchor inside a circular frame with a globe-like pattern. To the right of the logo, the text "PEO DIGITAL" is displayed in large, bold, blue letters, with "PROGRAM EXECUTIVE OFFICE DIGITAL & ENTERPRISE SERVICES" in smaller text below it. The main heading is "Sign in to ORE". Below this, there is a section titled "Or Login with username and password" with two input fields: "Username or email" and "Password". A blue "Sign In" button is positioned below the password field. To the right of the login fields, there is a block of text providing a disclaimer about the system being a U.S. Government information system and a list of terms of use. At the bottom left, there is a link for "New user? Register".

You are accessing a U.S. Government information system, which includes (1) this computer, (2) this computer network, (3) all computers connected to this network and (4) all devices and storage media attached to this network or to a computer on this network. This information system is provided for U.S. Government-authorized use only.

Unauthorized or improper use or access of this system may result in disciplinary action, as well as civil and criminal penalties.

By using this information system, you understand and consent to the following:

- You have no reasonable expectation of privacy when you use this information system; this includes any communications or data transiting, stored on, originated from or directed to this information system. At any time, and for any lawful government purpose, the government may monitor, intercept, search and seize any communication or data transiting, stored on, originated from or directed to or from this information system.
- The government may disclose or use any communications or data transiting, stored on, originated from or directed to or from this information system for any lawful government purpose.
- You are NOT authorized to process classified information on this information system.

Enter your ORE username and password and click the “Sign In” button. Please contact your ORE PoC if you do not yet have one or do not know it.

After logging in, you will be presented with the Select Role landing page.

Select User then click continue:

Figure 3 Select Role

The screenshot shows the Select Role page. At the top center is the PEO Digital logo. Below it, the heading "Select Role" is displayed. There is a dropdown menu labeled "Select Role" with "User" selected. Below the dropdown are two buttons: a blue "CONTINUE" button and a black "CANCEL" button. At the bottom of the page, there is a small "Welcome to" message with a logo.
